Subject: Request to Submit 2007 Progress Report Map, Lakeview Rock Products, Inc., Thomas Pit, M0110002, Davis County, Utah

Dear Mr. Burgraff:

The Division has received the completed 2007 Large Mining Operation Progress Report with the exception of the map. As noted in the report, it will be submitted when the aerial survey is complete. Please provide the date when this map will be submitted as it was due January 31, 2008.

In addition, if the submittal date extends beyond February 15, 2008, you then must provide an interim map until the 2007 progress report map is complete. The interim map must depict all 2007 surface disturbance and labeled appropriately.

If you have questions or require further discussion, please contact Ms. Beth Ericksen at 801-538-5318.

Sincerely,

Susan M. White
Mine Program Coordinator
Minerals Regulatory Program
